About Indore.

Indore is the largest city in the state of Madhya Pradesh. It is situated on the banks of the River Khan and Sarawati. Indore is known for its architectural splendor. The tales of the glorious past are narrated by these splendid historical monuments and cast a magical spell on the visitors. Rani Ahilya Bai Holkar was a great architectural patron and spent a lot of money on the construction of many temples across the nation.

Apart from being a historical city, Indore is also the commercial capital of the state of Madhya Pradesh. Indore is a host to many industries, like automobile, textile, IT etc. With latest technological advancements, the city is about to become the IT hub of the state of MP. Other than this, there are a number of educational institutes in Indore which are amongst the best in the country. The first and foremost are IIT & IIM Indore, which are amongst the pioneer institutes in India.
